Objective

My aim is to become a blooming software engineer. I will attempt to bring my knowledge into practical. My knowledge in this field will help me to solve any problem in this field. Moreover, my devotion towards the studies will encourage me to solve any difficult problem. I have the skills which will aid me to maintain good relationship with faculties and students.

Skill Highlights

- Hardworking & Innovative
- Strong decision maker
- Flawless Presentation
- Complex problem solver
- Verbal Communication
- Software Development
- Problem-solving
- Programming Languages

Technologies Known

- Web Development (HTML, CSS, JavaScript).
- Programming Languages (C, C++, PHP, JAVA, SQL, MySQL, Python).
- Search Engine Optimization.

Education

B.E. Computer Engineering at Bhagwan Mahavir College of Engineering and Technology (affiliated under Gujarat Technological University).

Project

Job Portal

In this project, I created different modules with various functionalities like sign up, login, profile addition for both employee and employer including the authentication of both. I have also added image and file uploading for both of them. An employee can search for a job posted by an employer. Similarly, an employer can search for an employee who meets his requirements for a job vacancy.
